

PATENT
879-282P

IN THE UNITED STATES PATENT AND TRADEMARK OFFICE

APPLICANTS: Kiyotaka KANEKO, et al.

APPLICATION NO.: 09/692,107
(Reissue of U.S. Patent No. 4,899,212)

FILING (i.e., § 102(e)) DATE: August 26, 1988

FOR: White Balance Adjusting Device for a
Camera

SUPPLEMENTAL REISSUE DECLARATION

As the below named Inventors, we hereby declare as follows:

That our names, residences, and citizenship's are as indicated below.

That we have reviewed and understand the contents of the attached Reissue Application including the allowed claims of the Reissue Application including any and all of the subject matter inserted, substituted, or added to the specification and/or drawings and/or claims by the amendments heretofore filed in the Reissue Application was part of our invention, and was invented before the filing date of the Original Application for the invention.

That we acknowledge the duty to disclose information which is material to the examination of this application in accordance with Title 37, Code of Federal Regulation, Section 15(a).

That we verily believe that we are the original, first, and only Inventors of the invention described and claimed in United States Patent No. 4,899,212 entitled "WHITE BALANCE ADJUSTING DEVICE FOR A CAMERA" and in the foregoing specification for which invention we respectfully solicit a Reissue Patent.

That we do not know and do not believe that the same invention was ever known or used in the United States of America before our invention or discovery thereof; or patented or described in any printed publication in any country before our invention or discovery thereof, or more than one (1) year prior to the filing of our original application for United States Letters Patent No. 4,899,212 of which that is an application for Reissue; or in public use or on sale in the United States of America for more than one (1) year prior to the filing of the original application; or that the invention has been patented or made the subject of any Inventor's Certificate issued before the date of the original application in any country foreign to the United States of America on an application filed by us or our legal representatives or Assignees more than twelve (12) months prior to said original application and that no application for patent or Inventor's Certificate have been filed by us or our legal representatives or Assignees in any country foreign to the United States of America before the application of the original patent.

We further declare that any and all error being corrected upto the date of this Supplemental Declaration was without error or deceptive intent.

WHEREFORE, the Applicants respectfully request that Letters Patent be reissued to Applicants for the invention of patent claims 4-11 and 14-33.

Applicants are unable to surrender the original Letters Patent due to the original Letters Patent being lost or inaccessible. Applicants apologize for any inconvenience that may be caused.

The undersigned declares further that all statements made herein of our own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements are made with the knowledge that willful false statement and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code and that such willful false statements may jeopardize validity of the application or any reissue patent issuing thereon.
